

# Strike Zone

# All Stars...

*One of the most awesome things about baseball, is that everything you need to do to be successful on the playing field carries over directly into life. In baseball, you have to learn how to work together, to set goals, and then work toward those goals in a productive way. You learn to be responsible and you learn how to not only depend on others, but also to depend on yourself so you can support others.*

*A true all star works hard and never loses sight of his dreams...*

Congratulations to the Players, Coaches, and Parents. You made the All Star Team! Please plan to join us for the Strike Zone All Star Day Celebration where we will be celebrating you!

This will be an exciting day as we bring all the teams together in celebration of a great season. The fields will be filled with all of the All Star Players doing what they do best—playing baseball! Mark your calendars for October 23rd. Be sure and check the website for game times and more information regarding the games. Players will need to wear their Fall Baseball SZ jerseys and caps for the games. Bring your friends, family, and the team members that helped get you here. It's time to celebrate a job well done.

All Star Celebration consists of:

**Indoor Workout to get you ready for the game**  
**Voucher For Any Strike Zone T-Shirt**  
**Coupons and Vouchers to get extra hits in the batting cages**  
**Free Membership to Going Vertical**

Players are asked to let their coaches know if they will be able to participate. A small fee of \$20.00 is required to enjoy the day and this fee is due on the night of the Indoor Workout. Make sure you read the roster page on the website for additional information regarding this special day.

**Immediately following your All Star Game, you are invited to attend an open house at The Strike Zone. During the open house we will have free cages, drawings, guest speakers, demonstrations, and the World Series game. Come and tell us how your fall went and we will film your comments to possibly use in our next commercial!**
