THE BIG GAME!!

Dear Parents,

To complete this session for all of our Mack's Mites classes this fall, we plan to have an inter-squad baseball game. We would like all of the players to be at the designate field at 10:00 a.m. for a 11:00 a.m. game. The game will be part of our Strike Zone Fall League All Star Weekend. Pictures will be available after the game for the players. Players are asked to wear their Mack's Mites T-shirt, cap, and baseball pants if they have them. If you do not, they are available at The Strike Zone or Lawlor's.

We'll see you at The Big Game!

Parents can help coach in the dugouts. If you are available please contact Jerry McKay.

If for some reason you are unable to attend, please let Jerry McKay know by October 8th at the latest. Thanks for your consideration and we appreciate you being a part of our fall baseball program. We would like to continue the program in November and December, so be on the look out for our upcoming classes.
